

Trademark Registration Workflow

HOW IT WORKS

Attorney Assisted Trademark Registration

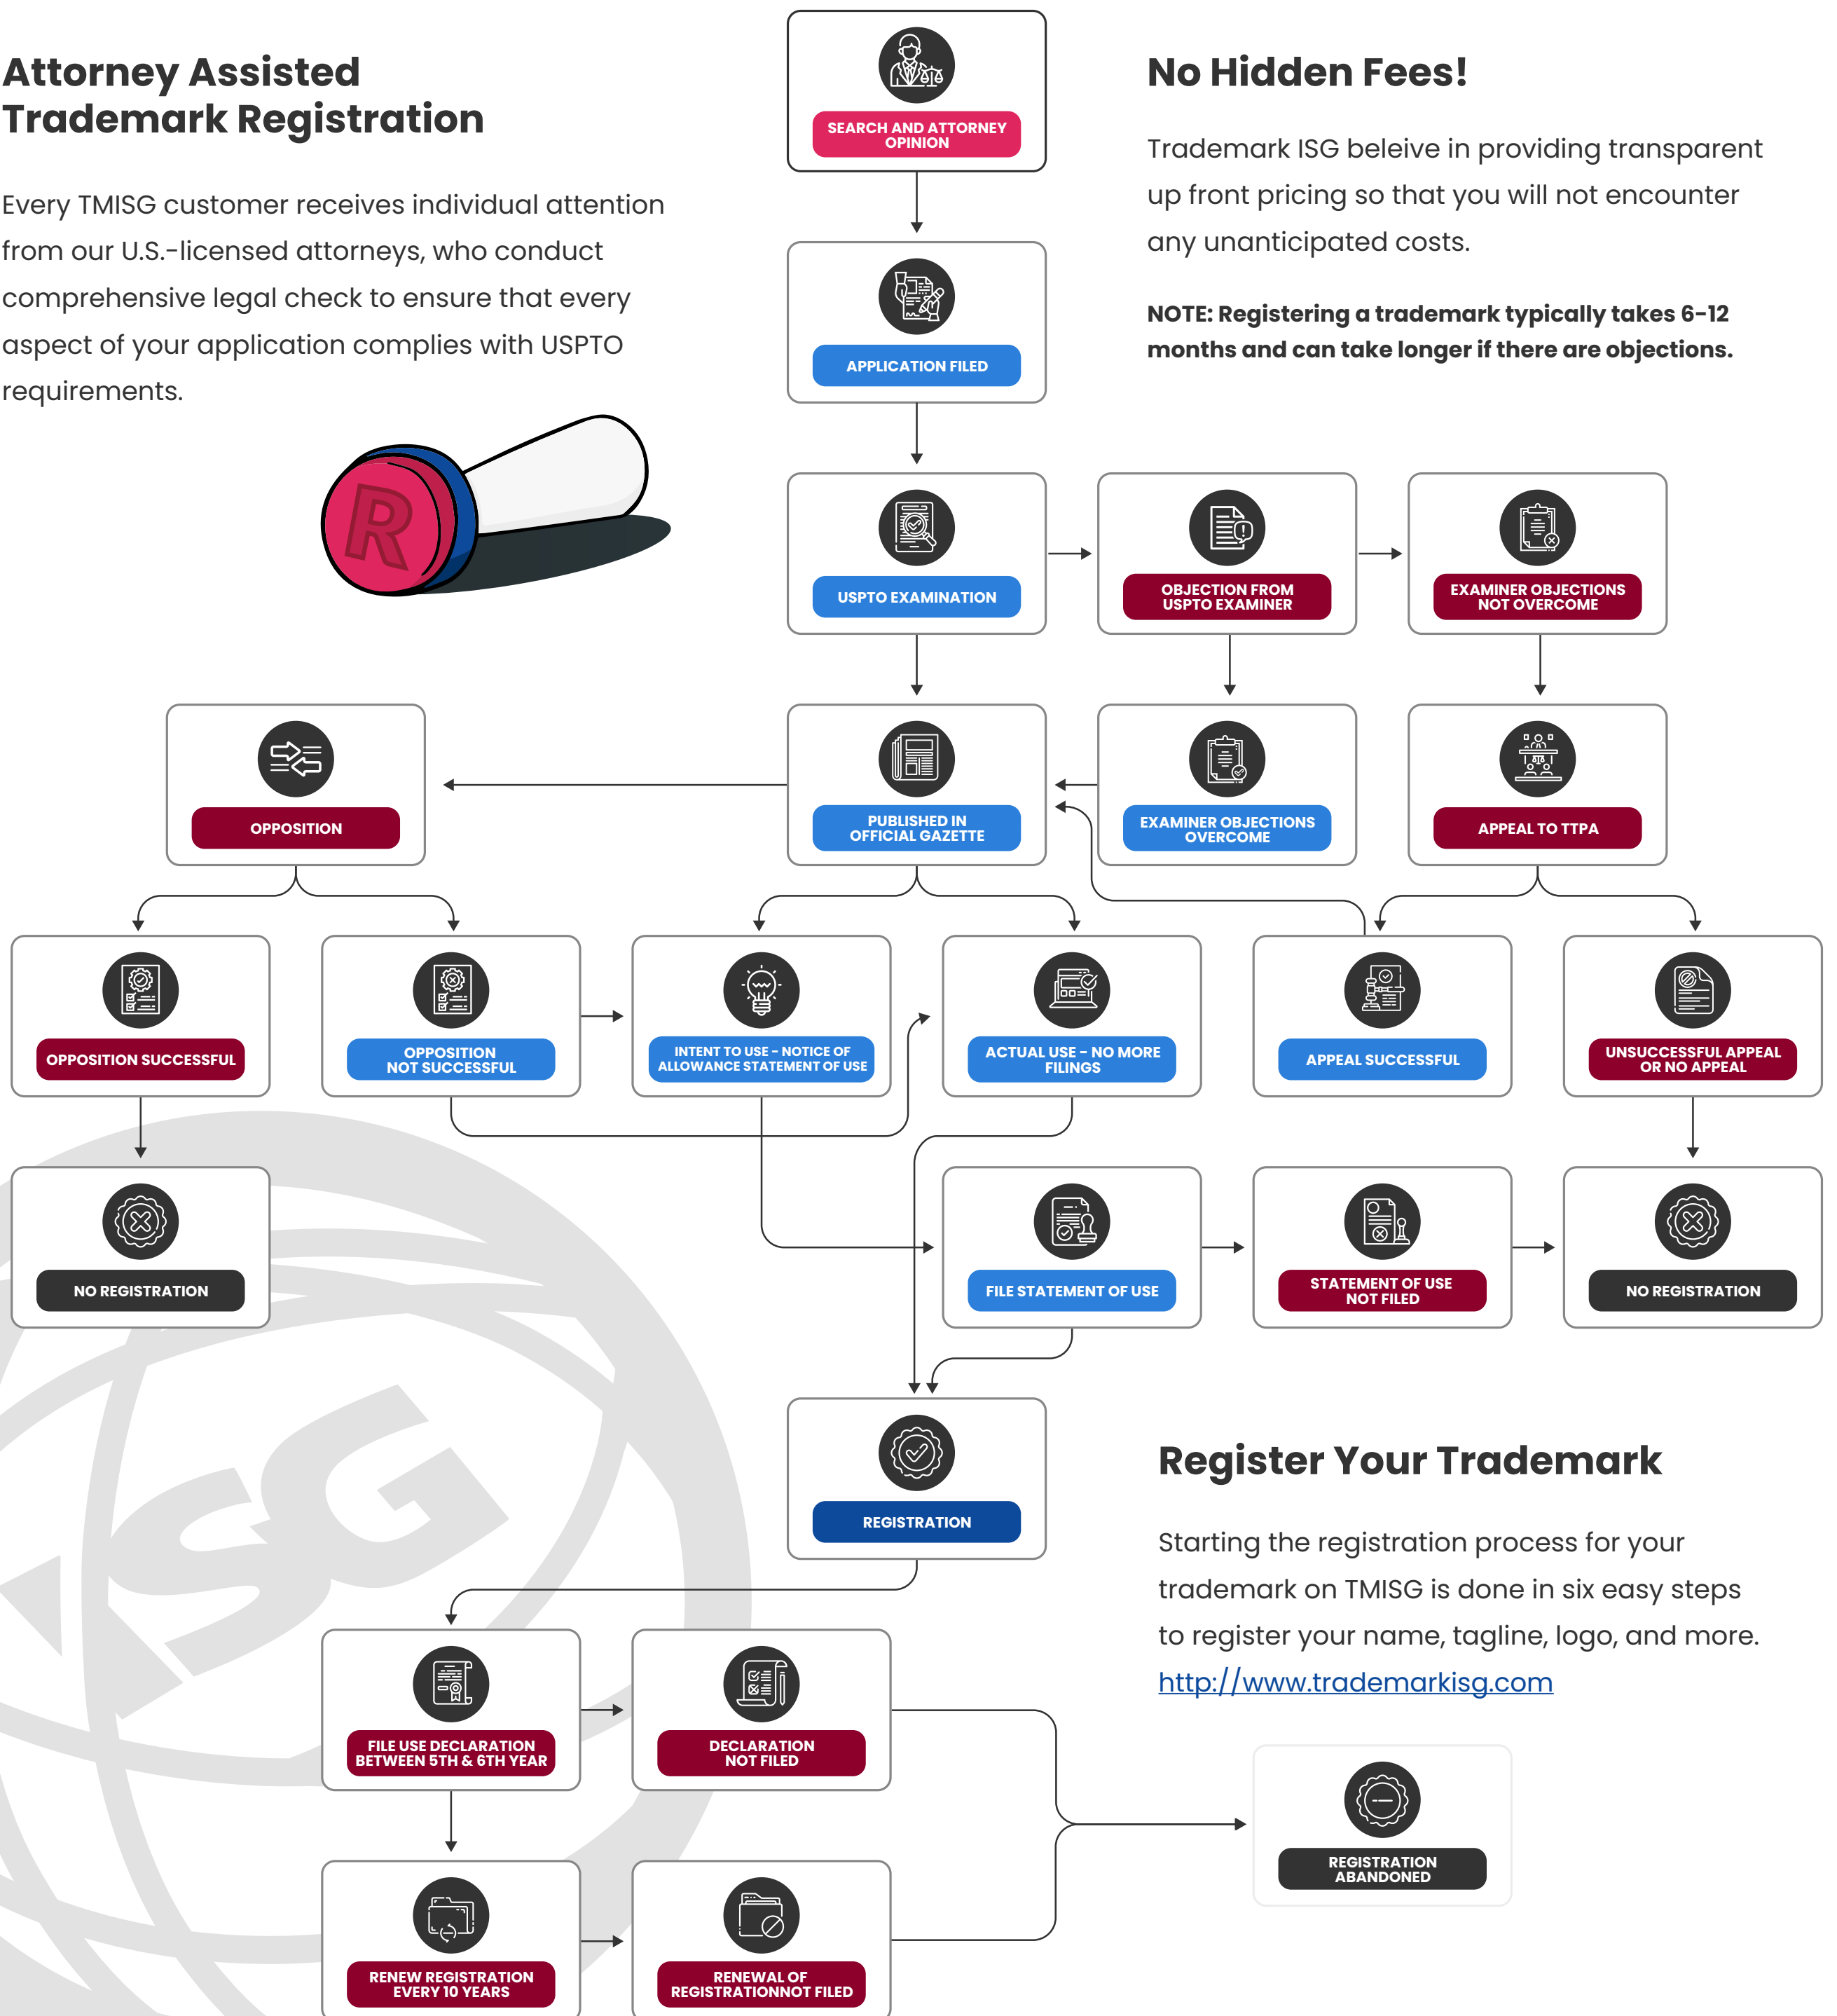

Every TMISG customer receives individual attention from our U.S.-licensed attorneys, who conduct comprehensive legal check to ensure that every aspect of your application complies with USPTO requirements.

No Hidden Fees!

Trademark ISG believe in providing transparent up front pricing so that you will not encounter any unanticipated costs.

NOTE: Registering a trademark typically takes 6-12 months and can take longer if there are objections.

Register Your Trademark

Starting the registration process for your trademark on TMISG is done in six easy steps to register your name, tagline, logo, and more.
